The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 ( Uniform Construction Code) and any additional approved building code requirements adopted by the municipality. The property owner and applicant assume the responsibility of locating all property lines, setback lines, easements, rights-of-way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provision of the codes or ordinances of the Municipality or any other governing body. The applicant certifies that he/she understands all the applicable codes, ordinances and regulations.

Application for a permit shall be made by a Registered Master Plumber or by the Registered Design Professional employed in connection with the proposed work.

**I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.**
