

BBZ NPDES PERMIT>>>>an NPDES permit is needed to allow the township to receive clean fill from Wegmans expansion.

A Motion was made by Carr second by Sterling to issue the checks needed for the permit.

BBZ Subdivision Plan>>>>the drafting of the overall plan that will be used for the Subdivision is started.

Once the NPDES permit has been submitted and Master site plan has been approved the final Land development and subdivision will move forward.

Questions were asked if there is an existing easement to the Zula property through either the Hozella property or BBZ. There currently is no existing easement for the Zula property, and if one did exist it would be for the Hozella property only.

DCNR Master Site Plan>>>> the next tentative meeting is scheduled for September 13, 2017 at 6:00. A final public meeting is scheduled for October 11, 2017.
