

October 11, 2017

A special meeting was held for the purpose of the Township's effort to obtain high speed Broadband communication services for business and residents in Foster Township.

Supervisors present: Sterling, Rowlands, Carr.

Engineer: Dan Cook Alfred Benesch & Co., Keith A. Hill. PE Consulting Gateway Corporation

Legal Counsel: Attorney Edward Brennan Solicitor, Attorney Timothy Dietrich.

A discussion was held by Mr. Dietrich who has provided legal counsel in connection with the financing, construction, and operation of the first municipal-owned and operated fiber optic broadband system in Kutztown Pennsylvania.

A discussion was held on the feasibility of and possibly to proceed with a plan for the introduction of high speed broadband communication services and facilities in the Township, whether through public or a combination of public and private service providers.

A discussion was held on the cell service assessment.

Supervisors go into Executive Session.

Motion to Adjourn by Rowlands second by Carr.

ATTEST: Janet Mitchell Secretary Foster Township
