Dear Supervisors:

The following is the status of Consulting Engineering Services provided by our firm as of this date:

The property maintenance reports for the period ending November 19, 2017 are attached. We are requested that the Township pass a resolution and submit a letter to District Magistrate Rossi to allow for both Sean Reilly and Kyle Kehoe as official Code Enforcement officer for the Township. This will allow them to submit outstanding property maintenance issues to the Magistrate. Please note the Magistrate has not been responsive with other Township property maintenance.

The code reports for the period ending November 19, 2017 are attached.

This was the initial meeting for the plan which will be developed during 2018 and adopted in 2019. The Township should openly discuss any hazards in the Township with the residents.
