

**DCNR Master Site Plan**

The draft plan has been submitted to DCNR for their preliminary review, once DCNR and has reviewed and commented on the plan we will schedule and conduct the final plan presentation meeting. The report will also be on display for public review and written comments.

Thank you for your time and consideration in this matter. If you have any questions or comments concerning the above, please contact our office.

Very truly yours,

Daniel P. Cook, P.E.
