

12/06/2017

- 1) Minutes from the previous meeting were read and accepted, motion by Rowlands 2nd by Sterling.
- 2) Bills from the previous month were read and accepted, motion by Rowlands 2nd by Sterling

Public Comment:

- a) Tom Shekelus questions if the backhoe should be kept in the salt shed and also if the salt would do any damage to the backhoe.
- b) Dave Davenport also questions why the backhoe was put in the salt shed.
- c) Sterling explained that the police cars needed to be in the garage due to the electronics freezing and not working correctly when the police need to get in the vehicle and respond to a call.
- d) Joe Zula questions if the township will ever consider continuing the streetlight project in the future. Sterling said that the supervisors will look into it, that there is a process to getting easements and if the property owners would all agree to giving the township the easements to continue the project.

Engineers Report:
