ENGINEER REPORT

PA One Call Utilities Update>>>>Facility contact person was changed from Sean Reilly to Dan Cook. Review of the existing Utilities and importing them into a GIS Based mapping system for uploading to the PA one Call System is in progress.

Penndot Green Light GO>>> the design work is completed and ready for submission. Resolution 06-2018 authorizing to submit the application for the Traffic Signal approval to Penndot with a motion by Carr second by Sterling.

Katchmar Property>>>>Survey of the property and pin setting is scheduled for later this summer. A site visit was completed with the supervisors to review the condition of the existing structure. If the township intends to utilize the building for public access, it would require the township to utilize a Registered Architect to provide an evaluation on the improvements.

Township Garage>>>Based on the field visit, the supervisors have requested a hold on the final design until a further review of the katchmar garage is complete.

2019 Comprehensive Plan>>> A proposal is being assembled for the cost to update the 1999 Township Comprehensive Plan. Notice will be prepared to residents to apply to assist with the planning committee.
